If there are more than 2 editors please provide their information on separate sheets

BOOK DETAILS

1. What is the target audience of your proposed book?

Competing Books:

2. Please list below published books one might consider as similar to your own: on the same topic, written at the same level, and intended for the same audience. If you feel there is no direct competition for your book, please list those titles that are more generally related to your book.

Also, please indicate how your book is better or different compared to the competition or related titles. Please be as specific as possible with the differences, as this helps our sales reps a great deal when trying to sell your book.

Title /Author	Publisher	Price	Differences

3. When will the manuscript be completed and sent to Science Publishers/CRC Press?
4. What is your estimate of the number of pages in the final manuscript?
5. Words per page?

6. Will there be any color illustrations in book? If yes, how many

7. Approximately what should a book like this be priced at?

8. Which societies are applicable for marketing your book?

9. Please list specific journals to target for promotion or review of your proposed book.

10. Please attach to this form the following materials:

- A proposed table of contents
- A list of people contributing to your book, if any, along with their affiliations
